Report of Principal and School Improvement Council

Green Sea Floyds Middle/High School improved in academics, athletics, and fine arts during the 2013-2014. The success of the school is attributed to the close working relationship of the school and community leadership teams. The high school implemented two new Advanced Placement classes - World History and English Language & Composition – bringing the total to seven. The school also began a daily advisory period to increase student achievement with emphasis on PASS, HSAP and EOCs. This period allowed students the opportunity to have remediation during the school hours eliminating afterschool transportation difficulties. U.S. History, Algebra I, and English I EOCs showed significant increases. As a result of the Digital Age, all middle school students received individualized iPads. Teachers in middle/ high school began using blended learning in the classrooms by implementing rotations and allowing students the opportunity to use technology. The fine arts department introduced a Theater Arts course and successfully performed the “Guys and Dolls” musical.

We continued to support our students with Open House, conferences, parent meetings, college financial aid workshops, IGP conferences, School Improvement Council Meetings, SAT/ACT workshops, etc. The goal of GSF administration and faculty is to ensure all students are college and career ready. With students foremost in our hearts and minds, we analyzed various types of data including MAP scores, benchmarks, classroom performance, etc. Each student’s data was evaluated individually to ensure he or she received the best educational experience possible. We are proud of our accomplishments and take pride in all we do.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	71.1
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Green Sea Floyds High School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
X	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
